Mrs. Ruchi Gupta
(B.E / M.B.A)

Reflections from Principal's Desk

Dear Students, Parents, and Staff,

It is with immense pride and joy that I share the outstanding performance of our students in the recent board examinations. The exceptional results reflect not just academic excellence but also the spirit of hard work, perseverance, and dedication that defines New Rainbow Public School.

Our students have once again proven that with determination, the right guidance, and a nurturing environment, success is inevitable. I extend my heartfelt congratulations to all the achievers—you have made us proud! I also wish to thank our committed teachers, who have worked tirelessly to support and mentor every student, and our ever-supportive parents, whose cooperation and encouragement have been invaluable.

Let this achievement be a stepping stone towards even greater accomplishments in the future. As we continue to strive for holistic development and academic excellence, may we remain united in our vision to empower young minds and shape responsible citizens of tomorrow.

Soaring High with Excellence

A Proud Milestone for New Rainbow Public School

New Rainbow Public School is proud to share two prestigious recognitions that mark our continued journey of excellence. We are thrilled to be ranked 5th among the Top 10 Leader Schools of Ghaziabad in the Dainik Jagran School Rankings 2025, reflecting our commitment to academic brilliance and holistic growth. Adding to the celebration, our esteemed Principal, Mrs. Ruchi Gupta, has been honoured with the School Excellence Award 2024-25 for Best School in Holistic Development of Students, acknowledging our focus on nurturing well-rounded, value-driven learners.

CLASS XII & X CBSE TOPPERS

We are thrilled to announce that Nehal Kumar Giri (Class XII) and Khushi K Raj (Class X) have emerged as the top performers in our school in CBSE Board Examinations.

Their outstanding performance has made our school community proud, and we celebrate their achievement with great joy and pride. Both students have set a high benchmark for their peers, and we are honored to have them as part of our school family. May their achievement inspire and motivate others to strive for excellence.

New Rainbow Public School takes immense pride in celebrating the outstanding performance of its students in the CBSE Board Examinations for the session 2024–25. With a 100% pass result in both Grade X and Grade XII, our students have once again upheld the school's legacy of academic excellence. In Grade X, Khushi K Raj has emerged as the topper with an exceptional 97.8%, setting an inspiring benchmark for her peers. In Grade XII, Nehal Kumar Giri has topped the Science stream with an impressive 95.8%, reflecting focused determination and consistent effort. These stellar results are a testament to the dedication of our students, the unwavering commitment of our educators, and the steadfast support of parents. Together, they form the foundation of the NRPS ethos—one that values perseverance, discipline, and the pursuit of excellence.

Mother's Day Celebration

Mothers of students from Pre-Primary to Grade 3 were invited as special guests for the occasion.

The event began with the traditional lighting of the lamp by the founder director Mrs. Munish Aggarwal, Principal Mrs. Ruchi Gupta, and the mothers present.

Following this, little children from Nursery, LKG, and UKG presented a delightful dance performance dedicated to their mothers. Various games and fun activities were also organized for the mothers, which they enjoyed wholeheartedly. The joy of spending time with their children in the school environment brought visible happiness and excitement among them.

The program concluded with words of appreciation from the principal, who highlighted the unmatched qualities of a mother—her patience, selflessness, and nurturing nature. She emphasized the importance of spending quality time with loved ones in today's fast-paced life and how such events help strengthen the bond between children and parents while promoting family values and emotional connection.

Inter-House Volleyball Tournament

An Inter-House Volleyball Tournament was held on 30 May 2025 at New Rainbow Public School for students of classes 9 to 12. The event saw enthusiastic participation from all four houses — Aastha House, Sanskriti House, Sanskaar House, and Sabhyata House. The tournament began with knockout rounds. The first match was between Sanskriti House and Aastha House, with Sanskriti House emerging victorious. The second match featured a tough competition between Sabhyata House and Sanskaar House, in which Sanskaar House secured the win.

The final match was played between Sanskaar House and Sanskriti House. Sanskaar House claimed the first position, while Sanskriti House stood second. In the match for third place, Sabhyata House emerged victorious. All participating students were awarded certificates of appreciation and medals for their spirited performances. The event concluded with a motivating address by the school principal, Mrs. Ruchi Gupta, who applauded the students' efforts and emphasized the importance of such events in their overall development. She stated that tournaments like these not only enhance physical and mental well-being but also help students discover their inner strengths and shape a brighter future.

English Language Training Programme

New Rainbow Public School conducted a 15-day English Training Program for the students of Grade IX from 16th May to 30th May 2025. The program was designed with the aim of enhancing the students' command over the English language, particularly focusing on spoken English and effective communication.

Throughout the program, students participated in a wide range of interactive and skill-enhancing activities such as the Talk Marathon, Storytelling Sessions, Role Plays, and more. These activities helped students improve their fluency, grammar, vocabulary, pronunciation, reading, writing, and listening skills. The program concluded with a Valedictory Ceremony, where the students who performed exceptionally well were awarded certificates by our Principal Ma'am and Director Ma'am. On this occasion, Principal Ma'am also shared valuable tips with the students on how to continue improving their communication skills and apply their learning in daily life with confidence.

This program not only helped the students become better English speakers but also gave them a platform to express themselves fearlessly and effectively.

World Earth Day

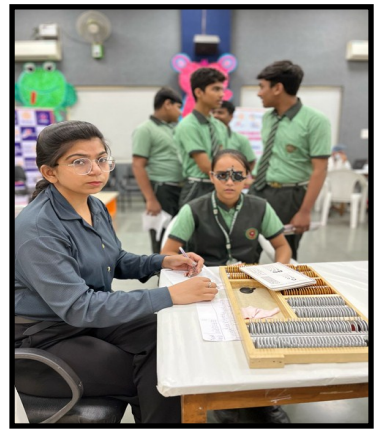

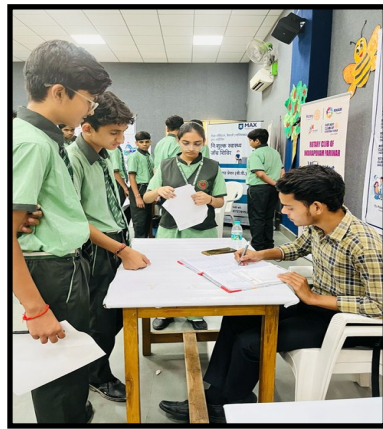

New Rainbow Public School observed Earth Day with great enthusiasm, organizing a series of engaging and educational activities to raise awareness about environmental conservation.

One of the highlights was a poster-making competition on the theme "Environment Conservation." Students displayed their creativity and concern for the planet by designing vibrant and meaningful posters. The artwork reflected powerful messages about protecting nature and living sustainably.

Another impactful initiative was a tree plantation drive conducted on the school premises. Students actively participated by planting saplings, learning about the crucial role of trees in maintaining ecological balance. The activity not only beautified the campus but also instilled in students a deep sense of environmental responsibility.

These initiatives encouraged students to reflect on their role in preserving the planet and motivated them to contribute towards a greener, healthier future.

Health Check-up Camp by Max Superspeciality Hospital

A three-day preventive health check-up camp was organised at New Rainbow Public School, Pr for students from classes IV to VIII. On one side of the venue, a proper setup was arranged for ENT and dental check-ups for all students from class IV to VIII. On the other side, students were made aware of Basic Life Support (BLS) techniques such as handling fainting, nosebleeds, or emergency situations like asthma attacks or choking, where immediate first aid can be life-saving. This entire event was conducted in collaboration with New Rainbow Public School and Super Speciality Max Hospital, Vaishali, Ghaziabad.

All the attending medical specialists shared their valuable insights, and while concluding the event, Principal Mrs. Ruchi Gupta remarked that such initiatives not only create health awareness among children but also reflect the spirit of "Vasudhaiva Kutumbakam" — the Indian cultural ethos of considering the whole world as one family.

Every Summer has it's own story

New Rainbow Public School organized an exciting summer camp for its students, which lasted for 15 days. During the camp, children participated in sports like hockey and cricket, learning the finer aspects of each game.

Throughout the camp, students not only learned the rules and techniques of the games but also understood the importance of teamwork, discipline, and sportsmanship. Under the guidance of coaches, children improved their skills and made new friends.

The summer camp was a memorable experience for the students, where they had fun while learning valuable life skills. The school's aim was to help students develop life skills through sports, and this camp was a success in achieving that goal.
